Erratum

Erratum to “Investigation of high-contrast velocity selective optical pumping resonance at the cycling transition of Cs using fluorescence technique” [Opt. Commun. 356 (2015) 378–388]

There is a typo in one of the equation of the recent paper. In Eq. (9) (Section 4.2, page no. 385) ‘Im’ should be dropped from the equation and it should be read as $\chi_{FI}(V, \omega) \propto \gamma_{nat} \sum_{i=3}^5 \rho_{ii}$.
