Unfortunately some mistakes have been noticed in the above-mentioned article after publication. The corrections are as follows:

1. In the text (in pg nos. 237, 252 and 253) all the values of mean annual precipitation (MAP) should be in cm (centimetre) instead of millimetre (mm) since it is the appropriate.

2. In Figure 12, the Y axis (right) representing MAP, the unit also should be represented in cm (centimetre) instead of mm (millimetre).

The authors apologise for any inconvenience.
