DOI 10.1007/s00726-008-0162-2

Unfortunately the article “Glutamate is the chemotaxis-inducing factor in placental extracts” by R. Gupta and D. Chattopadhyay, has been cited twice in the same issue (on pp 271–277, doi:[10.1007/s00726-008-0143-5](https://doi.org/10.1007/s00726-008-0143-5); and on pp 359–366, doi:[10.1007/s00726-008-0162-2](https://doi.org/10.1007/s00726-008-0162-2)). Both the articles have exactly the same content.

For citation, please use article doi:[10.1007/s00726-008-0143-5](https://doi.org/10.1007/s00726-008-0143-5).

The online versions of the original articles can be found under doi:[10.1007/s00726-008-0162-2](https://doi.org/10.1007/s00726-008-0162-2) and doi:[10.1007/s00726-008-0143-5](https://doi.org/10.1007/s00726-008-0143-5).
